

How do I find a Boulder Valley Care Network Medical Provider and help lower my expenses?

Both the Performance Medical Plan and the Choice High Deductible Medical Plan pay claims according to what network you use. Your out-of-pocket expenses should be less if you use a Boulder Valley Care Network Provider.

You can now see if a provider is a part of the BVCN through myCigna.com and the myCigna app! See Section 2 for instructions.

Boulder Valley Care Network Providers fall into one of three categories:

1. Physicians who are employed by Boulder Community Health

For physician names, bios and office hours, please go to www.bch.org. Visit www.bch.org/locations for more location information.
